Call Report

Client: PT Astra International Tbk (ASII)
Meeting date: 2026-07-15
Prepared by: Dewi Lestari, Relationship Manager, Corporate Banking
Attendees: Dewi Lestari (RM); Budi Santoso, Head of Group Treasury; Rina Wijaya, Treasury Manager
Purpose: Quarterly review and the client's foreign currency exposure.

Discussion

- The client imports engine and electronic components paid in US dollars and Japanese yen. About USD 120 million of payments fall due in the second half of 2026.
- The rupiah moved sharply in the second quarter, and the board asked treasury to reduce the effect of exchange rate moves on margins.
- The client uses spot purchases today and has no hedging programme with our bank.

Client plans

- Hedge around half of the USD payments due in the second half of 2026.

Client requests

- A proposal for FX forwards covering USD 60 million over six months.
- Indicative pricing for JPY forwards.

Follow-ups

- Send an FX forward proposal with indicative pricing. Owner: Treasury sales desk. Due: 31 Jul 2026.
Next meeting: September 2026
